- xs11075-J Pink/Brown/Aqua French Oxford

**Weekly Hint: Lets talk labels..**

If you want us to put your labels in shirts, please make sure you have enough in stock for us. Lucy is normally the contact for labels. If she asks you for labels, please send as soon as possible, as labels are attached EARLY in production. If we do not have your labels, then your order sits at the labeling station until we do, and your order is on hold during that time. We cannot go back and do at the end as the label is attached to the inside layer of the yoke so as not to show stitching on the outside of the shirt. Delaying them to us, holds your orders up and adds that time onto production time. Therefore, please make sure you get those labels to Lucy as soon as you possibly can.
