WEEKLY HINT: Your labels... When we ask you to send labels, we ask that you are generous with them. We need to keep an inventory of them so orders are not held up waiting for them. Labels are put on at the very beginning of production and if we do not have them, your order is at a stand still. We ask for a minimum of 100 when you send. We will advise when it's time to send more. Also, please send promptly, when we do ask.  
Thank you!
